FUNDRAISING GUIDE

THANK YOU FOR SUPPORTING THE CHOIR WITH NO NAME!

What?

We run choirs primarily for people who have experienced homelessness and marginalisation. We run four choirs - in London, Birmingham, Liverpool and Brighton - where members learn new skills, make friends and sing their hearts out in a positive and encouraging environment. Each week we rehearse fun, quirky pop repertoire and then sit down to a lovely hot meal cooked by our volunteers.

Why?

Homelessness is on the rise in the UK, with the number of rough sleepers increasing by 132% since 2010. There isn't usually one reason why someone finds themselves homeless. Often a combination of factors, such as relationship breakdown and mental health problems, can create a downwards spiral that's hard to escape. This is where we come in!

How?

Singing in a choir is good for both physical and mental health. It's somewhere to make friends and feel great! There is nothing better than standing shoulder to shoulder with friends, belting out your favourite tune. This positive environment means we can focus on members' strengths rather than their problems, helping them to work together towards a brighter future.

HOW WILL YOUR FUNDRAISING HELP?

It costs each choir around **£45** per rehearsal to provide our members with a hot, nutritious dinner, often the only hot meal they get all week.

Just **£6** provides a meal for one of our choir members at rehearsal for a whole month.

£10 covers the cost of travel and food for a choir member on gig days, enabling our choirs to perform regularly throughout the year

£150 allows one of our Choir Directors to run an outreach singing workshop to introduce those at risk of homelessness to our choirs

“I was lost and didn’t know how to find any direction. Quite simply, Choir with No Name has given me something to live for”

There are a number of ways you can ensure we receive your donations securely...

- If you are able to raise money online, then we recommend you use Virgin Money Giving or JustGiving, two of the most popular fundraising websites, where you can set up a unique fundraising page for your event.
